We have published our [2024/25 Business Plan](https://media.sra.org.uk/sra/corporate-strategy/business-plans/business-plan-2024-25/) [\[https://media.sra.org.uk/sra/corporate-strategy/business-plans/business-plan-2024-25/\]](https://media.sra.org.uk/sra/corporate-strategy/business-plans/business-plan-2024-25/), which outlines our key priorities and areas of work for the year.

The business plan is set in the context of our wider [2023-2026 Corporate Strategy](https://media.sra.org.uk/sra/corporate-strategy/) [\[https://media.sra.org.uk/sra/corporate-strategy/\]](https://media.sra.org.uk/sra/corporate-strategy/), which outlines the strategic priorities for the SRA:

1. deliver high professional standards
2. strengthen our risk based and proactive regulation
3. support innovation and technology
4. be an authoritative and inclusive organisation, meeting the needs of the public, consumers, those we regulate and our staff.
